Dear Parent and Carers

22nd May 2020

Firstly, I hope you and your family are safe and well.

As we arrive at the end of term 5, I wanted to take this opportunity to write to you and provide an update specifically around Year 10 and also how we plan to continue with remote learning in term 6.

As you will be aware, the DfE has stated that Year 10 students will receive some “face to face” contact with their teachers during Term 6. Currently, we are awaiting guidance from the DfE as to what this means in practice.

Once the guidance is published we will develop our plans and make the necessary arrangements. On June 1st I will write to you explaining what “face to face” means in practice and I will be in a position to confirm when this will commence.

Please note that the current arrangements for online teaching for Year 10 will continue until further notice.

Following on from our parent and student surveys that we sent out a couple of weeks ago we would like to thank everyone who took the time to give us feedback on how we can continue to support the work students are doing at home in these unprecedented times.

Having reviewed this feedback we are going to adjust how work will be set over Term 6. Project work will still be the primary focus but we have reduced the quantity of work being set as this has proved overwhelming. We have decided that we will stagger project dates and completion dates to reduce anxiety levels and pressure. All work will continue to be set on both Show my Homework and Google classroom as they have this term.

Further to the feedback and to support you with how we are structuring the projects we have created the following timetable recommending what subjects your child should be focusing on each day.

Student working Timetable:

	Monday	Tuesday	Wednesday	Thursday	Friday
Year 7	English Geography	Maths Creative Arts & PE	Science History	Spanish Technology	ICT SPHERE
Year 8	Maths Creative Arts & PE	Spanish Technology	English Geography	ICT SPHERE	Science History
Year 9	Spanish Technology	ICT SPHERE	Maths, Creative Arts & PE	Science History	English Geography
Year 10	English	Maths Science	Option	Option	Option

The table below gives an overview and timeline for when projects will be set, for each year group, and when they need to be completed.

Students can submit their work on a weekly basis if they would like feedback, or can submit their completed work by the deadline.

Projects Timeline timetable

Date to be set:	Monday June 1st	Wed 3rd June	Monday 8th June	Wed 10th June	Monday 15th June
Date to be submitted:	Mon 29th June	Wed 1st July	Mon 6th July	Wed 8th July	Mon 13th July

If there are any issues with the work please contact the teachers directly or email office@causewayschool.org

Please remember the main priority for us at Causeway is the wellbeing of our families and young people. The work completed now will support your child to access work when they come back to school but if further help and support is needed please do not hesitate to contact the school.

Have a lovely half term.
Kind regards
