Acting Headteacher: Ms L Leung

6th January 2017

Dear Parent/Carer,

I have been so impressed by the overwhelming sense of community that exists at the heart of Causeway School, bringing together students, staff, parents and carers. As Acting Headteacher my mission is simple; to ensure that every single member of the school community is 'putting achievement first', fostering happy, confident learners who leave school with the right skills and qualifications for the world they are growing into.

Causeway School has an exciting future as we strive to become one of the most improved schools in the country. We aim to personalise students' experience of school so they flourish and attain the highest possible standards academically, socially and morally.

As a mother of two young children at primary school, I am well aware of the importance of happy, successful young people, thriving at school and ambitious to do their very best. I have been part of the leadership teams raising standards at Hove Park School, West Blatchington Primary School, and last year at Peacehaven Community School. In all of these schools, successes include rapid improvement in attainment measures across Key Stage 2 to Key Stage 5, as well as lifting two of the school's Ofsted gradings from 'Requires Improvement' to 'Good'.

In partnership with Swale Academies Trust we are focused on school improvement and continuous learning for both our students and our staff. Our students, your children, are at the centre of everything we do; putting their achievement first, within a caring community rich with opportunity is our moral imperative.

I would like to take this opportunity to invite you to Causeway School on Tuesday 24th January 2017 at 6.00pm, which will give me an opportunity to meet you and to share the vision we have for Causeway School in more depth.

In addition, I will be hosting drop-in sessions every Wednesday from 3.30pm – 4.30pm, starting on Wednesday 11th January until half term, for parents and carers who would like to discuss school matters on a more personal level. Please contact the school to ensure we have availability on your preferred day.

I look forward to meeting you in the coming weeks.

Yours faithfully,

Liza Leung
Acting Headteacher
